

## **Part-Time High School Science Teacher Semester 1 of 2022/2023 School Year**

Halton Waldorf School is now seeking a part-time high school science teacher to join the faculty of the young and growing high school that is graduating its first grade 12 class in June 2022. The position starting in August, is for courses offered in the first semester of the 2022-2023 school year.

An ideal candidate has a bachelor's degree in their discipline and experience teaching secondary school students. Additional education including Waldorf high school training and/or a master's degree are preferred.

Our teachers have a desire to work with adolescents, are adept at teaching to a wide range of student abilities and have strong classroom management skills. Teaching responsibilities for the advertised position include the Grade 9 Science and the Grade 12 Physics courses, in the first semester, as outlined by the Ontario Ministry of Education. Our high school teachers work enthusiastically and energetically to engage their students, and work collaboratively with their colleagues and the parent community to create an educational environment that is aligned with the school mission and program goals. We are searching for a new colleague that will build on this team that is striving towards a school worthy of emulation.

Note – the successful candidate may be required to teach remotely using Zoom and/or Google Classroom during the COVID-19 pandemic, as needed.

### About Our School:

Founded in 1984, we are an independent, accredited Waldorf School serving students and their families from birth to high school. The Halton Waldorf School provides students with a place to grow intellectually, artistically, and socially. Our high school offers our students small class sizes (maximum 20) and our graduates the Ontario Ministry of Education Graduation Diploma for University and College entrance along with our Waldorf High School Diploma.

Every day our faculty and administration serve a vibrant and diverse community of over two hundred students and their families. Our main campus is located on five forested acres in northeast Burlington, close to the natural wonders of the Niagara Escarpment and the shores of Lake Ontario. The new home of our high school will open in September 2022 and is located just a 5-minute walk from the main campus in an established residential neighbourhood with parks, walking paths, ravine, and Bronte creek. We are committed to providing a healthy, beautiful sustainable environment that supports the pedagogical mission of the school.
